## Financial Policy for **ELITE FOOT AND ANKLE Associates LLC**

Thank you for choosing our office as part of your health care team. In our effort to provide personalized care in the most efficient and economical manner possible, we are providing to all of our patients this copy of our Financial Policy. We ask that you take a few moments to read our Financial Policy and sign below.

### **Insurance Coverage**

Your insurance policy is a contract that exists between you and your insurance company. Our relationship is with you, the patient, and not the insurance company. If you have questions about your coverage, please call the phone number provided on the back of your insurance card. New insurance companies are continually forming and existing insurance companies are rapidly changing. It is your responsibility to know the specifics of your policy (referral requirements, in and out of network physicians and facilities, etc.). Most private insurance policies (non Medicare/Medicaid) plans now have deductibles, copayments, coinsurances, maximums and limitations (out of pocket expenses). **If your annual out of pocket expenses have not been met, you will be required to pay a \$150 deposit at the time of your visit.** This will be applied to your account and a statement will be sent reflecting any additional fees owed following response from your insurance carrier. **These measures maintain compliance with the “No Surprise Act”.** In lieu of a deductible deposit, a valid credit card will be required and stored securely. Upon claim response from your insurance, you will receive a statement, if the statement goes unpaid your credit card will be charged and a detailed statement will be provided along with a paid receipt.

We rely on you to inform us of all insurances in effect and to notify the office immediately of any changes with your insurance. If you do not inform us of changes, you will be responsible for the services rendered. When multiple policies exist, it is the patient's responsibility to inform us which policy is the primary plan. If we are not provided ALL insurance information at the time of service, you will be responsible for paying Elite Foot & Ankle directly and then submitting for reimbursement from your insurance company. As a courtesy our staff performs eligibility and benefit checks on the day of service (as requested from insurance).

Although we try our best, due to the constant changes in insurance policies and coverage, it is NO LONGER possible for us to interpret each individual policy. It is your responsibility to know your coverage and to make sure we are contracted with your particular plan. Please check your coverage for anticipated services prior to your appointment. Because your insurance policy is a confidential agreement between you and your insurance company, we are rarely privileged to know what services are covered on your particular plan.

**The cost of custom orthotics, boots and other DME is NON-REFUNDABLE and MAY NOT BE RETURNED for a refund because these are medical devices and orthotics are a custom made item.**

All charges are the responsibility of the patient. We will bill your insurance company as a courtesy, but any services not covered by your policy are the patient's responsibility.

**Please initial each line indicating your understanding of our policies:**

\_\_\_\_\_ **COPAYMENTS & INSURANCE:** If you have not met your annual max OOP we require a **\$150** deposit on top of your co-pay. This will cover your portion of the services rendered. In Lieu of the deposit, you can leave a credit card on file and we will charge the card after we hear back from your insurance. We shall send refunds at the end of every quarter or at the end of your treatment if there is credit after we have heard back from your insurance. It is a requirement of your insurance company that we collect your copay. Payment is required before meeting with the doctor.

\_\_\_\_\_ **SELF-PAY:** Full payment is due at time of service. A down-payment will be required before seeing the doctor. **At a minimum, an evaluation and management fee will be charged.** Additional procedures/services may be recommended by the doctor but you will be informed of these charges before proceeding with treatment.

\_\_\_\_\_ **REFERRAL:** If your insurance plan requires a referral from your primary care doctor, you will be required to obtain it prior to your visit. Without a referral available, we may need to reschedule your appointment otherwise you will be responsible for the charges.

\_\_\_\_\_ **NO SHOW & CANCELLATION:** 24 hours notice is required for cancellation of your appointment and failure to do so will incur a **\$250** fee. Failure to provide **24 hours notice** to cancel a procedural visit will incur a **\$300** fee.

\_\_\_\_\_ **SURGERY:** We require a **\$250** deposit prior to surgery. Failure to provide 5 business days notice of cancellation prior to scheduled surgery date will incur a \$500 fee.

\_\_\_\_\_ **BALANCES/COLLECTION FEES:** Any statement that is not paid within 20 days will incur a **\$25** statement fee for every statement sent after the first one. ***Payments can be made securely through the system generated link on your statement.***

\_\_\_\_\_ **FMLA/DISABILITY/MEDICAL RECORDS:** The first copy of your medical records is free of charge, then a **\$30** fee for additional copies will be charged (per state guidelines).

\_\_\_\_\_ **OREGON HEALTH PLAN PATIENTS:** We are only on open card, CareOregon, MODA, & Providence OHP plans. **We are NOT on:** PacificSource, Trillium, Kaiser, Yamhill, or any other OHP plans. You agree to take responsibility for the charges for your appointment if you are on any OHP plan other than open card, CareOregon, MODA, or Providence OHP plans. Please know your insurance plan.
